Popularly priced, precision made **DILL** Pencil Gauge

Most of your customers are motorists... they know the importance of maintaining proper tire pressure on their cars... know it can add thousands more miles of safer tire service.

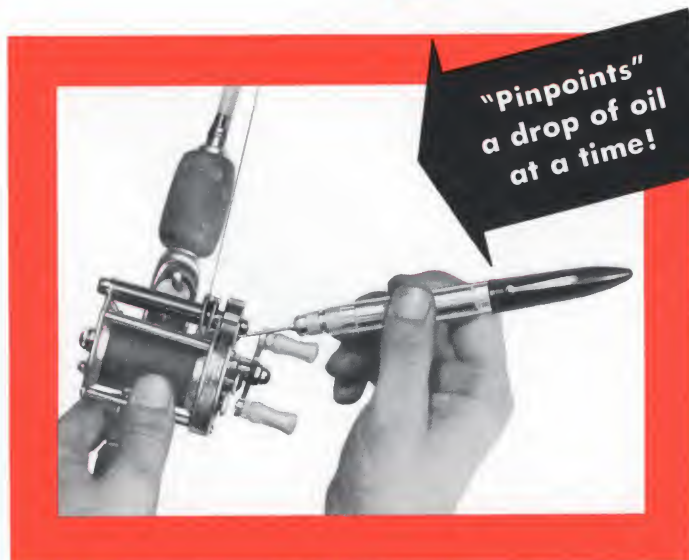

Surprising how many prefer to check their own tires with a gauge they know to be accurate. Prove it to yourself. Display Dill Pencil Gauges. See how easily they sell.

Dill Pencil Gauges are precision instruments manufactured under strict quality controls. Buyers are assured of a long accurate service life with normal care. They're easy to use, convenient—priced right!

Packaged in a new
"Take-Me-Home"
Display
for wall, counter or shelf.

Order your Dill Pencil Gauges in the new "Take-Me-Home" Display now! 6 gauges cost just \$10.50, sell for \$14.10. Display is Free! Price subject to change without notice.

Versatile Oiler of a Thousand Uses **DILL** Pres-To Oiler

Here is the neatest — handiest — precision oiler available.

To use, simply place the point of the Pres-To Oiler on the object to be oiled and press. Automatically a fraction of a drop of oil is applied exactly where wanted. Excellent for all kinds of hard-to-oil items such as typewriters, fishing reels, guns, electrical appliances, motors, hinges, locks... and dozens more! Transparent plastic barrel, brass cap.

Get a supply of Dill Pres-To Oilers today! They're fast moving — profitable! Cost just \$.75 each, sell for \$1.25. Your profit 40%. Price subject to change without notice.
